Assessment rubric for written production

Written production · Type 2

EN

Task achievement	6 pts
• Responds to the instructions with an in-depth personal discussion of a complex subject. • Can develop a line of reflection related to the given theme. • Can write a clear, well-structured text on a complex subject, underlining the most salient relevant points and expanding and supporting a point of view in an elaborate way by integrating subsidiary arguments, justifications and relevant examples, to reach an appropriate conclusion. • Can exploit sources: can analyse the documents provided with a critical eye and reuse the key information and examples accurately and precisely. • Uses their own linguistic repertoire to rephrase and paraphrase the content of the documents without plagiarism.	
Discourse competence	**2 pts**
• Can produce clear, smoothly flowing, well-structured text, showing controlled use of linguistic means of organisation and cohesion, connectors and linking words.	
Sociolinguistic competence	**2 pts**
• Uses a register suited to the task, following the guidelines given.	
Linguistic competences	**10 pts**
– **Grammatical and syntactic control and range** • Can use a wide range of complex grammatical structures. • Can consistently maintain a high degree of grammatical accuracy; errors are rare and difficult to spot. • Has a good command of simple and complex sentences. – **Vocabulary control and range** • Can select an appropriate formulation from a broad range of language to say what they want to say without having to restrict it. • Uses less common vocabulary idiomatically and appropriately. • Makes no significant vocabulary errors. – **Orthographic control** • Paragraphing and punctuation are logical and make reading easier. • Spelling and punctuation are accurate, apart from a few occasional slips.
